

# Louisiana Agriculture & Forestry Today

## Urban forestry grants available

More than \$1 million in federal assistance is available for Louisiana's urban forests directly affected by Hurricanes Katrina and/or Rita last year, Commissioner of Agriculture and Forestry Bob Odom said.

"Congress allocated these funds to the U.S. Forest Service who made them available to Mississippi and Louisiana for recovery, clean-up and restoration of urban forests. This program is a non-matching program so groups seeking grants will not have to come up with 50 percent funding to match the grant," Odom said.

Distribution of the federal funds is being coordinated by the

Louisiana Department of Agriculture and Forestry with assistance from the Louisiana Urban Forestry Council.

"Applications and information packets are available on the department's Web site," Odom said. "Understanding that affected areas are in different stages of recovery we will be offering several opportunities to apply for funding, grant cycle 1, applications must be received by 4:30 p.m. Jan. 10, 2007; grant cycle 2, no later than 4:30 p.m. May 18, 2007; and grant cycle 3, no later than 4:30 p.m. Oct. 5, 2007. Be sure to have your applications in by the deadline because there will be no exten-

sions."

Eligible applicants include: state and local units of governments (including tribal), public education institutions and 501(c)(3) non-profit organizations, such as civic groups, neighborhood associations or other local community tree volunteer groups that are located in or will assist the parishes affected by Hurricanes Katrina and Rita.

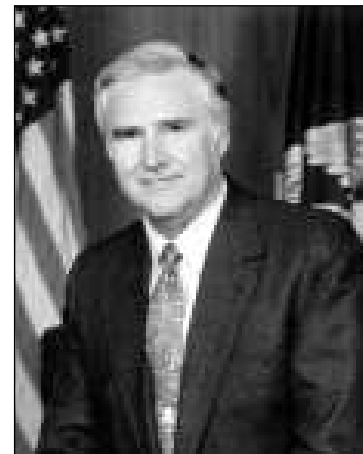

The following parishes may qualify for assistance: *High-Priority Parishes* - Calcasieu, Cameron, Orleans, Plaquemines, St. Bernard, St. Tammany and Vermilion; *Eligible Parishes* - Acadia, Ascension, Iberia, Jefferson, Jefferson Davis,

Lafayette, Lafourche, Livingston, St. Charles, St. Helena, St. James, St. John, St. Mary, Tangipahoa, Terrebonne and Washington.

Preference will be given to those organizations located in high-priority parishes.

"My office is here to answer any questions and help guide people through the application process," Odom said.

Anyone needing assistance regarding the urban forest grant program should visit the Web site at [www.ldaf.state.la.us](http://www.ldaf.state.la.us) or contact Malhon Doucet, LDAF urban forestry coordinator, at 225-925-4500 or email [mdoucet@ldaf.state.la.us](mailto:mdoucet@ldaf.state.la.us).

## COOKERY

# Merry Christmas

source: [www.recipegoldmine.com](http://www.recipegoldmine.com)

### Maui Cheese Logs

1 (7 oz.) jar macadamia nuts      3 tsps. grated orange rind  
16 oz. cream cheese, softened      6 tbsps. Grand Marnier liqueur  
1/2 lb. sharp cheddar, finely grated

Chop macadamia nuts in a food processor. Reserve 3 tablespoons and set aside. Place remaining chopped nuts in a medium-sized bowl and add the cheeses. Blend. Add the orange rind and Grand Marnier. Blend well. Divide mixture in half and spoon each into a rectangle of plastic wrap. Fold wrap around mixture and form into logs. Refrigerate until firm. When ready to serve, remove plastic and sprinkle with remaining nuts.

### Cranberry-Blue Cheese Ball

4 oz. sharp white cheddar      4 oz. crumbled blue cheese  
cheese, cut into cubes      1 (6 oz.) bag sweetened dried cran-  
8 oz. reduced-fat cream cheese, berries  
softened

Place cheddar cheese in the bowl of a food processor fitted with a metal blade. Pulse until cheese is coarsely chopped. Add remaining ingredients and process until well combined. Lay a large piece of plastic wrap on a flat surface. Scoop the cheese mixture out onto the plastic wrap, gather up the corners of the plastic wrap and form into a ball. Refrigerate overnight. Let sit at room temperature 30 minutes before serving.
